## Information for Testimony Meeting conference calls held on the **SECOND Wednesday** of each month

There is a list of telephone numbers to choose from depending on your location, and each one connects with the conference bridge. The PIN is specifically for the church conference call and serves to connect all participants with the church meeting, no matter which phone number they have used. When the church as host has dialled into the bridge using its own PIN, the conference call connection is made.

These are the available phone numbers.

NSW	Sydney	02 9037 2747
NSW	Newcastle	02 4013 4043
SA	Adelaide	08 7123 2361
Queensland	Brisbane	07 3123 5124
NT	Darwin	08 8986 7038
NT	Alice Springs	08 8921 4109
Tasmania	Launceston	03 6349 1222
Victoria	Melbourne	03 9001 6668
WA	Perth	08 6365 4490
ACT	Canberra	02 6108 4316

The participant **PIN is 326993**

After you have dialled the phone number you will be asked to enter the PIN . You will then be asked for your name and you may either say your name or keep silent.

The meeting starts at 7.30 NSW time. The church usher will dial in between 7.25 and 7.30. If you ring before the usher, you will hear music. Just wait until the church has connected and the usher will welcome you and explain what is going to happen. If you dial in when the meeting is under way it will not disturb at all

We will mute all the phones to avoid extraneous noise, and the Reader will explain what to do if you wish to contribute to the meeting.

The cost to you will be that of the phone call to your dial-in number. You can use a normal phone, mobile or skype.

We will use the conference facility on the **second Wednesday** of each month until further notice.

Happy participation.
